I am delighted to inform you guys that I have been admitted to the UM6P Innovation & Entrepreneurship Lab Ambassador Program. I definitely enjoyed the first Ambassador workshop in community engagement and leadership with Dr. Murat SARTAS (Ph.D.). Special thanks to Bisan Abdulkader, Hanaa IMANI and to my dear colleagues.

**MEL4INRA Development**
- development of indicators module
- development of User Interface
- development of Institutional Dashboard

**4Q 2021**

**MEL4INRA Start of Development**
- development of indicators module
- preparation of MEL4INRA development timeline
- preparation of MEL4INRA training for INRA staff
2021 MEL Adoption Campaign: Baseline for 2022 SM Campaigns

Monitoring, Evaluation & Learning (MEL) is an integrated and adaptable online platform for projects, activities and knowledge management, performance measurement, communication and dissemination of research findings. Its multifaceted and modular structure allows customization and remodeling to meet ever-changing demands. Given these qualities, MEL was adopted by the Partnership for Research and Innovation in the Mediterranean Area (PRIMA), joining three IGAD OSFs and four Centers in the MEL Team.

In 2018, the Monitoring, Evaluation & Learning (MEL) platform has been chosen by the Partnership for Research and Innovation in the Mediterranean Area (PRIMA) to be implemented as Monitoring, Evaluation tool, evaluating the extent and complexity of its interventions. Framework PRIMA is a joint programme undertaken by its 15 participating states aimed at creating a competitive environment for solutions development in Research &
