About me [Edit](#)

Introduction

I have been working on metrics and analytics of the performance of the projects, programs and policies in innovation and livelihood systems. I am also keen on exploring different research methods and try to use them in my research. Social network analysis, content analysis and big data methods are some examples. giz **Moderator for Global Scaling Task Force**
Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH · Contract
Mar 2020 – Present · 1 yr 7 mos
Germany

I support and moderate a team of GIZ - CGIAR Experts. Task Force for Scaling (TaFoS). TaFoS provides support to CGIAR innovation and scaling projects in project implementation, build capacity of CGIAR scaling stakeholders, develops tools and methods for scaling agricultural innovations and documents and publishes it's learning. Currently, TaFoS members are based in Benin, France, Germany, Kenya, Ivory Coast, Mexico, Sri Lanka and Vietnam.

In addition to facilitation of the interactions in events and meetings, I lead preparation and implementation of digital collaboration tools such as Miro Boards and event document ...see more

Stakeholder Management and Scaling Coach
CGIAR Research Program on Roots, Tubers and Bananas · Part-time
Apr 2020 – Present · 1 yr 6 mos
Netherlands

I coach Scaling Champions in developing and implementing stakeholder engagement strategies using state of art online collaboration tools and practices. Scaling champions act as facilitators, innovation brokers, communication officers and sometime content experts. They are from multiple projects under the CGIAR RTB program and work in Colombia, DR Congo, Gha ...see more

External Researcher
Wageningen University & Research · Part-time
Dec 2018 – Present · 2 yrs 10 mos
Wageningen

I do research on the contribution of complexity sensitive decision support approaches, tools and practices such as Scaling Readiness to improving performance of research for development projects and programs.

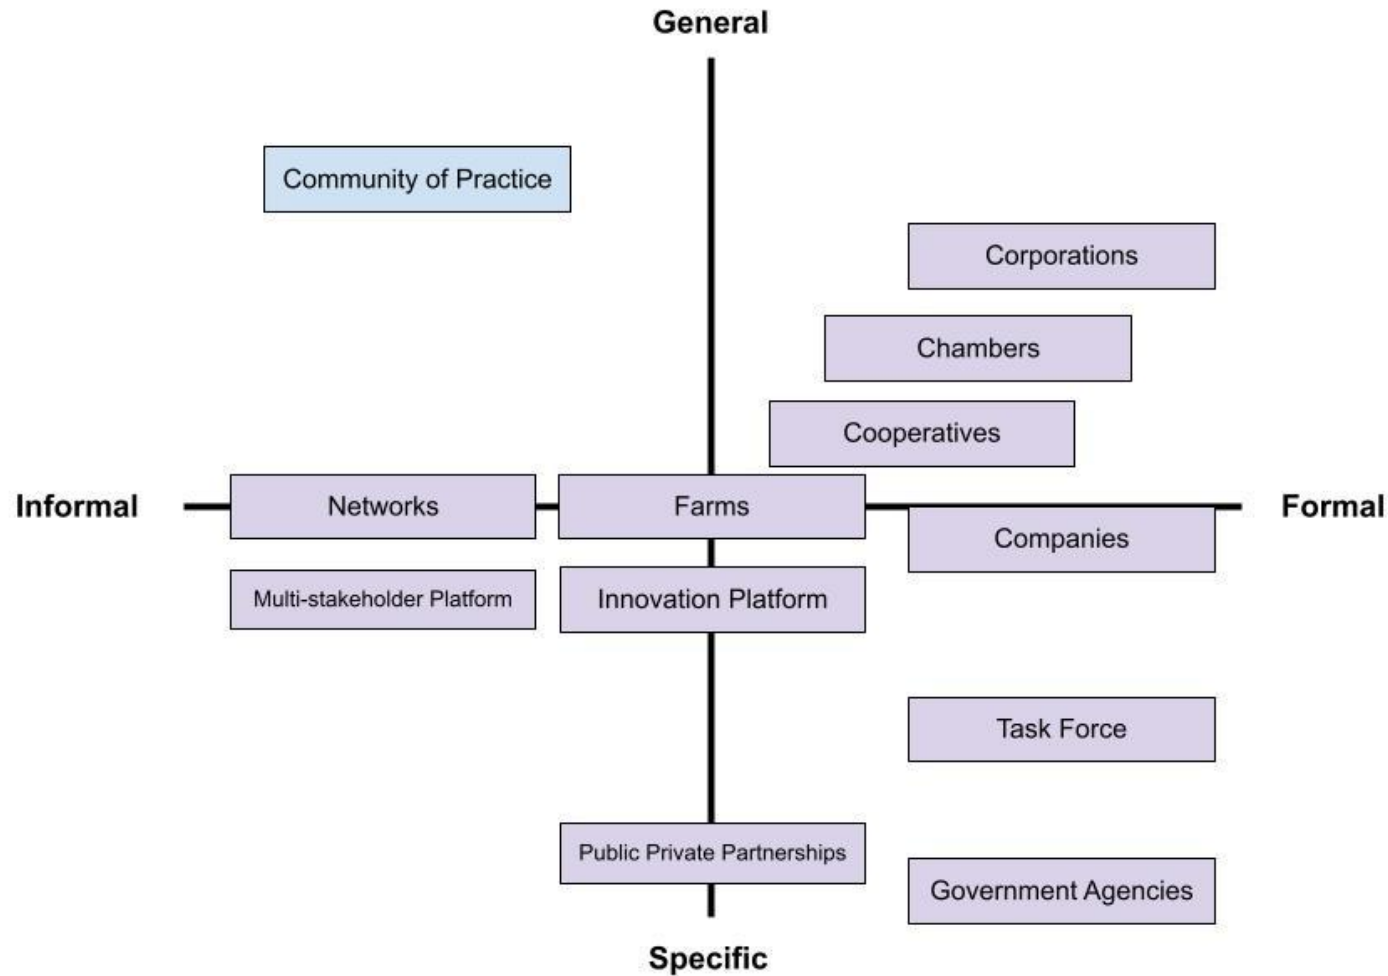

ILRI **Scaling Assessment Expert**
International Livestock Research Institute (ILRI) · Freelance
May 2020 – Present · 1 yr 5 mos

CGIAR International Livestock Research Center (ILRI) has recently adopted a new framework for scaling up livestock research for development. The framework integrates multiple tools and practices for assessing scaling potential of innovation projects and monitoring the progress they achieved in scaling. ...see more

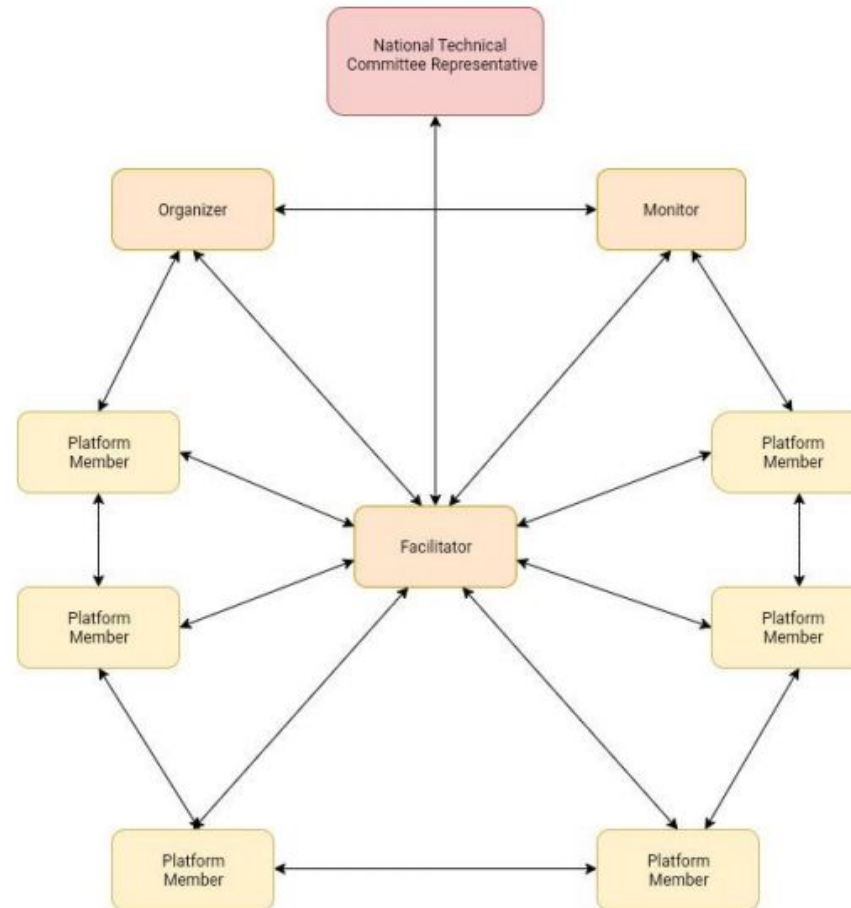

ICARDA **Knowledge and Innovation Management Scientist**
ICARDA: International Center for Agricultural Research in the Dry Areas · Contract
Jan 2020 – Present · 1 yr 9 mos
Tashkent

I write a paper on knowledge management using the experience of the IFAD funded project "Bridging Knowledge Creation and Sharing for Natural Resources Management and Climate Resilience Strengthening Knowledge Management for Greater Development Effectiveness in the Near East, North Africa, Central Asia and Europe". ...see more
