ICRISAT @ Workplace – Our work, our place

Happy hour in Mali

Time for some snacks and updates of staff from ICRISAT, ICRAF, ILRI and World Veg.

Aspiring groundnut seed producers

Farmers from Nagarkurnool and Gadwal who attended the Groundnut Seed Business Entrepreneurs Identification Workshop gather for a group photo with ICRISAT staff. ICRISAT will assess the participants and train them on advanced seed production technologies. The event was supported by OFID.
