1. From Knowledge to Partnership

Knowledge -> Partnership?

1. From Knowledge to Partnership

Institutional Websites and Repos

Welcome to IRAS SAUM!
 IRAS SAUM is the Institutional Repository in Agricultural Sciences of the State Agrarian University of Moldova that collects, preserves and provides access to articles published in the scientific journals, annals, conference and workshop papers, doctoral theses, educational materials created by academic community. IRAS is included in OpenDOAR, ROAR and DuraSpace Registry.

University of Khartoum Repository
 Welcome to University of Khartoum (UoK) digital repository! Access UoK intellectual output here. Khartoum Space is a platform that enables our community members to organize and preserve their research online as well as it gives our visitors, researchers and the academia at large a better access to research conducted at UoK. Khartoum Space is the result of the pilot project OASCIR (documentation of this project can be found at http://uofkoascir.blogspot.com) Enjoy and fulfill your need to know!

SUCCESS STORIES

KM Portal

Dashboard
