

## Geo-tagging Field Operations for Accelerating Pulse Intensification in Odisha

Surajit Ghosh and Chandrashekhar Biradar  
Geoinformatics Unit, ICARDA

ICARDA organized a training programme for a hands-on orientation of ODK mobile app to collect the field data in Odisha Pulse Mission Project on 11<sup>th</sup> January 2019 at Institute on Management of Agricultural Extension (IMAGE) conference hall, Bhubaneswar. A total of 25 participants attended this programme. Most of the participants were District Facilitators and Field Facilitator Coordinators. The training was conducted by Surajit Ghosh, ICARDA, New Delhi in the presence of Dr. Nigamananda Swain, ICARDA-Afghanistan. Hands-on material, presentation and field demonstration were parts of the whole day training programme.
