Open Data Kit - ODK

Open Data Kit (ODK) is a free, open-source suite of tools that allows data collection using Android mobile devices and data submission to an online server, even without an Internet connection or mobile carrier service at the time of data collection.

1. Enkento (Web Form)

Enketo is a lightweight web application that is used for data entry in Ona.

Demo

https://enketo.ona.io/x/6MbmSr4k (Arabic)

https://enketo.ona.io/x/tbc2f9yS (English)

2. ODK Collect App

ODK Collect is used to collect the data on a mobile device and send it to an aggregate server such as Ona.
