Participants:

- Mrs. Sanaa Zebakh – IAV Hassan II / Skim project national focal point
- Mr. Zidane Lamdaghi – IAV Hassan II
- Mr. Abdallah Aboudraee – ENA Meknès
- Mrs Berdai Meryem – ONCA

Discussions:

- **The interinstitutional agreement:** The agreement is validated by IAV Hassan II and ENA, it is in the process of validation from INRA and ONCA.

- **Workshop preparation :**

The four partners agreed on the duration of the workshop (2 days), the place will be at IAV Hassan II premises taking into consideration sanitary precaution.

The interinstitutional agreement will be signed at the opening session of the workshop. The partners proposed to invite representatives from the ministry of agriculture (the direction of training and research and the division communication). Will be invited the FIDA and other international institutions at the opening session as well. 3-4 participants will be invited in each partner institution.

The expert that will be hired to conduct the workshop will previously conduct direct meetings with the institutions.

The expected workshop deliverable is a national strategy for knowledge management in agriculture stratégie nationale pour le KM en agriculture avec comme acteurs principaux nos institutions.
